Headteachers welcome

Dear Parents and Carers,

On behalf of all the staff at Oxford Spires Academy we are so excited to welcome you and your child to our school community. We firmly believe in fostering an environment where students not only excel academically but also grow personally and socially.

This is a big transition for children and families; it is normal to feel nervous. We have planned a transition process that will support your child's experience at Oxford Spires Academy and support them in feeling confident and excited to join us in September. **Please note the council's deadline of 16th March to confirm your child's place with us.** We will send out further information about transition following this.

Our dedicated staff are here to support and guide your child every step of the way. Together, we will create a nurturing environment where they can spread their wings, explore their passions, and reach their full potential.

At Oxford Spires Academy students have access to our wonderful library and all staff have a passion for promoting literacy and reading starting from Year 7. Alongside English lessons, students receive a library lesson once a week. We would love to learn about what your child is currently reading and give them the opportunity to ask any questions they have about secondary school. Please use the link [Year 6 Questionnaire](#) to ask any questions about life at Oxford Spires. We will make sure a current Year 7 and/or staff member provides a response to any questions you have.

I would like to take this opportunity to introduce our transition team, Ms Chaffey and Mrs Crook who will be your main points of contact and will be visiting primary schools in the Summer Term.

Kindest regards

Louise Cowley
Headteacher
