

Hello

Is your school parent-friendly?

As the largest parent charity in the UK, we have partnered with your school to help them become more parent-friendly. We want them to be excellent at communication and give you opportunities to help your child do well at school.

We have enjoyed working with the school's senior team. We would love to hear from you.

This is your chance to have a say.

To make meaningful improvements, it's vital we hear from as many parents or anyone with parental responsibility as possible. Every response makes a difference.

- **Takes 3-5 minutes**
- **Completely anonymous** – the school won't be able to identify you or your responses (Contact details are requested only to notify voucher winners. Your responses and participation in this survey will not be shared with your school)
- **Win a £200 voucher** – every **fully completed** survey is entered into the monthly prize draw
- **Your feedback** will directly help shape how the school communicates and supports families.

You can access the survey by scanning this QR code:

I would like to thank you for taking the time to help me support your school to power the potential of parent participation in a child's education.

Yours faithfully,
