Important – Red Heat Warning - Transition Events Postponed

Dear Parents and Carers,

We are very sorry to be writing to you with this news, especially as we know how much many of our Year 6 students have been looking forward to their first experience of Oxford Spires Academy. Due to the Red Weather Warning for extreme heat issued the Year 6 Transition Day scheduled for tomorrow will not go ahead, and the Parent Information Evening planned for the same day is also cancelled.

Following a thorough risk assessment of our school environment, we have taken the decision to close Oxford Spires Academy on Wednesday 24th and Thursday 25th June 2026

We want to reassure you that this decision has not been taken lightly. We fully appreciate how disappointing this will be, particularly as we were keen to ensure that our incoming students had a positive and memorable introduction to the school. However, we must follow government guidance and place the safety and wellbeing of our pupils and staff at the centre of all decisions.

Rearranged Transition Arrangements

We are planning to reschedule both the Transition Day and the Parent Evening for Wednesday 1st July and we will contact you shortly with confirmed details.

We are aware that some primary schools may already have planned activities next week, and that not all pupils may be able to attend the rescheduled transition day. Please be assured that we will continue to put arrangements in place to ensure a smooth and supportive transition process for all students during this unprecedented time.

Additional Information

We encourage all families to ensure children remain well hydrated, cool, and out of direct sun exposure during this period.

We appreciate that this may cause some inconvenience, and we thank you for your understanding and support.

If you have any questions, please contact the school office.

Yours sincerely,
Louise Cowley
