Dear Parent/Carer

Instrumental Lessons – 2026-2027

We have many wonderful opportunities at Oxford Spires Academy, one of which is instrumental lessons. Your child can learn to play a range of musical instruments through our Peripatetic Instrumental team. Lessons are arranged and paid for directly through the instrumental tutor, however if you receive free school meal provision, please contact me directly as we may be able to arrange funding for tuition.

- The majority of lessons will be individual.
- Lessons are on a rotational timetable to avoid disruption to lessons.
- Lessons are generally 20 minutes or 30 minutes long.
- Students have an Instrumental Lesson Pass Card – this will allow them to leave class.
- Students can complete Ofqual accredited examinations that count towards GCSE and A level Point Scores.

If you would like your child to receive instrumental lessons, please contact instrumental tutors directly. They will clarify the time of your child's lesson, cost, and equipment they may require before starting.

Teacher	Contact	Instrument
Cameron Grote	camerongrote@gmail.com	Drum Kit
