# WHAT DO I DO AT THE CAREERS FAIR?

## 1. Start with a Smile

- Walk up confidently.
- Make eye contact.
- Say: “Hello, my name is \_\_\_\_.”

Why? A friendly intro shows respect and confidence

## 2. Ask Good Questions

Try these:

- “What does your job involve?”
- “What do you enjoy about your work?”
- “What advice would you give to someone my age?”

Why? Asking questions shows you’re curious and interested.

## 3. Take Notes

- Use your booklet to jot down key info.
- Write what you liked or didn’t like.

Why? You won’t remember everything—notes help!

## 4. Be Polite & Professional

- Use good manners: please, thank you.
- Listen carefully—don’t interrupt.
- If you shake hands, do it confidently.

Why? You’re showing what it’s like to work with you one day.

## 5. Show Interest in Their Work

- Say something like:
- “That sounds interesting!” or
- “I didn’t know that about your job.”

Why? People love sharing when they know you’re engaged
