**Date 02/10/2025**

Dear Parent/Carers,

**Re: Y10 & Y12 Work Experience**

We are pleased to inform you that Work Experience for Year 10 and Year 12 students will take place from **Monday 13th July to Thursday 16th July 2026**.

Work Experience is a valuable opportunity for students to gain insight into the world of work, develop key employability skills, and explore potential career paths. It plays an important role in helping students make informed decisions about their futures.

**Student Placement Expectations:**

As in previous years, students are expected to source their own work experience placements. This allows them to take ownership of the process and seek opportunities that align with their interests and aspirations. We encourage families to begin discussing possible placements now, as many employers require early notice and competition for places can be high.

Placements can be in a wide range of sectors, and we recommend considering family connections, local businesses, and organisations that may be open to supporting young people.

Further guidance and support will be provided to students over the coming months. In the meantime, [this guide](#) has been developed by Unifrog, our online careers platform, to support parents and caregivers in helping their child find a work placement.

If you have any questions or concerns, please do not hesitate to contact the Careers Team.

Thank you for your continued support.

Yours sincerely,

Mrs K Booth  
Careers Lead
